### From the Editor

Many street parties have been organised locally to celebrate the Coronation, with details spread by social media, word of mouth or notes through the door. In addition, Meeting Point has got details of two special 'Coronation Teas' and a 'Coronation Coffee Morning' plus a very special concert in Thornbury which features music from previous Coronations. If you want to, you can watch the Coronation on the television at home, but there is also the option to join with others in St Mary's, Olveston, and see it on the big screen.

Later in the month, there is a Murder Mystery evening in Olveston, which sounds very interesting, and there is information about how you can join in the Aust Pilgrimage. This month's 'volunteering article' is from somebody who works once a week at Slimbridge. As anybody who has been there knows, this is a beautiful place and well worth a visit.

Whatever you do this month, and it has the bonus of an extra Bank Holiday, I hope that you have a really enjoyable time.

# Coronation Celebration Tea on Tockington Green

Come along and celebrate the Coronation with delicious cream teas and cakes on Bank Holiday Monday 8<sup>th</sup> May on Tockington Green. We shall be serving between 2.00pm and 4.30pm. Come along, bring your family and friends and make this a special, village occasion. There will be gluten free, dairy free and vegan treats too, plus decaff. drink options and plant milks available – just ask. Cash or card payments accepted, and you can 'takeaway' as well. We will be there come rain or shine!

All proceeds will go towards the upkeep of Olveston and Tockington Methodist Church. Offers of help always welcome – contact Maggie on 01454 610053.

### Volunteering at Slimbridge

A Volunteer

My love of Slimbridge started back in the 1960s when, as a Brownie I went on a trip to the Wildfowl and Wetland Centre. On that occasion I was very privileged to meet Sir Peter Scott in his home (now a museum, open to the public), he signed my autograph book and drew a pen and ink sketch of a duck in flight - which is still much treasured.

I volunteer as a Welcome Host, an indoor role which is very much customer focused. It's important that visitors get the most out of their day, so I help with signposting visitors to events, exhibits and talks. The role is busy and varied and includes selling bags of bird food and centre guides using a till to process

payments. I also assist visitors who require additional assistance by hiring out mobility scooters and manual wheelchairs.

Another aspect of the role is promoting the benefits of WWT membership and signing up new members on a computerised system. We have a live Twitter feed so I also update the sightings book so that visitors know what birds have been seen and where.

I volunteer every Saturday morning, there is a daily briefing at 9.15 and the doors open to the public at 9.30. At weekends there is often a queue outside the door and if the sun is shining you can expect to have a hectic day. My shift finishes at 1.00 pm.

There is something for visitors to Slimbridge all year round. There is Welly Boot Land and an adventure playground for children, canoe safaris and many other talks and activities. The serious birders and photographers arrive early and head straight for the hides.

Slimbridge is a special place to volunteer, however busy and hectic it is I only have to look out of the window and see the beautiful swans, geese and ducks on the lake to feel immediately calmed. I've made friends with fellow volunteers and enjoy the wonderful environment. It feels good to play a small part in an organisation that does such important conservation work.

I chose an indoors based role but there are outside volunteering roles available too, to find out more visit www.wwt.org.uk.

### News from St Mary's

Debbie Harries

#### The Coronation

St Mary's will be screening the Coronation of King Charles on Saturday May 6th at 11am.

If you would like to come along and be part of this special occasion, doors will be open from 10am

#### **Coronation Celebration Service**

Sunday May 7th 11am

This will be a special choral service to celebrate the Coronation of the King. It will be followed by fizz and canapés. We look forward to seeing you!

### The Film for May

The Monday Movie on May 1st is a Kenneth Branagh film from 2021. In August 1969, surrounded by sporadic violence and growing danger, nine-yearold Buddy finds himself confronted with the ugly reality of sectarian conflict. As the stranglehold of increasing turmoil tightens around his once-peaceful working-class neighbourhood. Buddy tries his best to understand 'The Troubles' - after all, someone must be responsible for forcing people to flee their homes. Buddy's family come face to face with a nearly impossible, lifealtering, decision - to stay or start packing?

Doors open at 7pm and the film starts at 7:30pm. Free admission (but donations always welcome). Licensed bar, coffee and tea.

### Fish and Quiz Results

The 10th Annual Fish and Quiz evening was held on Friday 24th February in the Olveston Parish Hall. The winning team, pictured, was Fingers Crossed.

The total amount raised on the evening was £420, which was divided between the appeals in respect of the war in Ukraine and the recent earthquakes in Turkey and Syria.

### Olveston Parish Hall Annual General Meeting

The AGM will be held in the Hall at 7.30pm on Thursday May 11th. Please come and support your wonderful local amenity and the people who run it. We need some new blood on our Management Committee, so if you feel that you may be able to contribute to our team then please come and find out more. Wine and Cheese will be served to further induce attendance.

### Aust Pilgrimage

Trevor Cook

Aust Pilgrimage 2023

Saturday 20th May

All Welcome

8.00am Service in Bristol Cathedral after which you can either Walk to Aust, or make your own way to St John at Aust for 5.00pm Pilgrimage Service

For many years the Pilgrimage to Aust has taken place on a Saturday on or near to the Feast Day of St Augustine of Canterbury. It commemorates the meeting of Augustine with the Celtic Bishops which, according to Bede, took place at St Augustine's Oak, which, he says "lies on the border between Hwiccas and the West Saxons". Aust. on the banks of the River Severn, is thought by many to be the place where this meeting could have taken place.

Pilgrims meet at Bristol Cathedral at 8.00am on the morning of the pilgrimage and walk the 15 miles to the Chapelry of St John at Aust, where there will be a tea followed by a Pilgrimage Service at 5.00pm.

We would like to encourage those who might find the full walk too long to join in along the way - details of the route are published on Facebook (search for Aust Pilgrimage) or at www.austpilgrimage.wordpress.com, or to arrange their own walk (or travel by other means) to Aust Church, or simply to join those who have walked at St John's for the Pilgrimage Service at 5.00pm.

#### For more information about the Pilgrimage see:

www.austpilgrimage.wordpress.com or fracebook (Aust Pilgrimage) or email: austpilgrimage@yahoo.com

### Aust Parish Council

### **Annual Parish Assembly**

The Annual Parish Assembly is an opportunity for residents to hear about what the parish council has been doing over the past year and to raise any issues which they might want the council to consider over the coming year, as well as a chance to discuss other matters of general interest to residents. These meetings date back many years to when we did not have the many methods of communication which we enjoy now but are still a useful way for residents to keep in touch with the parish council, and vice versa.

This year's assembly was held on 11th April. The chairman, Steve Meredith, described the parish council's activities over the year and Matthew Riddle (our local South Glos. Council ward councillor) reported on SGC matters. Cllr Riddle also encouraged residents to join the Community Engagement Forum which brings together the villages of Severn Vale with key organisations such as the police and SGC. See https://beta.southglos.gov.uk/local-communitymeetings for more details. Other matters discussed included the possible fate of the Whale Wharf complex, a new Village Agent service aimed at supporting vulnerable and elderly people in our area, traffic congestion around Aust roundabout and the lengthy closure of Sandy Lane, Aust.

We also took the opportunity to thank two long-serving councillors who are standing down. Catherine Collinson has served as a parish councillor for eight years and Claire Hawkins for five years. They were thanked warmly for their service to the community and presented with bouquets of flowers as a token of appreciation.

#### Parish Council Election and Vacancies

All parish councils in South Gloucestershire are up for election on 4<sup>th</sup> May. However, only four people have stood for election to Aust Parish Council (which has seven council seats available.) The election is therefore uncontested and the four people who put themselves forward automatically become councillors. Thank you to Ian Jenkins, Steve Meredith, David Spratt and Jeremy Warren for stepping up to represent your community for another four years. This means that there are three vacancies, which can be filled by co-option. Anyone who thinks they might be interested in being part of the council is warmly encouraged to talk to one of the current councillors (contact details at bit.ly/austpc\_main) or contact the Clerk to ask any questions they might have and find out a bit more about what is involved.

Parish councillors get involved in a broad range of village issues; in recent months we have covered litter, highway maintenance, traffic, the Jubilee celebrations and many other matters.

#### **Noticeboards**

By the time you read this, we will hopefully have a shiny new parish noticeboard in Elberton. This has been funded by the Community Infrastructure Levy, which is a charge on development designed to improve infrastructure alongside new buildings in the parish. The new board has one side with open access; residents are invited to use this to advertise any events of community interest (though no commercial advertising please.) The noticeboard in Littleton has also recently been refreshed and is similarly available for notices of general interest. The board at Aust is locked but I am happy to display any notices sent to me.

### The Buffalo Gals

For an uplifting and amusing night out, The Buffalo Gals will have your feet tapping to the delights of 'Old -Time' country music.

The band revels in the traditional old songs and tunes of Appalachia, early bluegrass, early country music, blues and rags, ballads, spirituals, Cajun and gospel, all brought to life with a talent for fresh arrangement.

Through the driving energy of banjo and fiddle, soaring harmonies and syncopated, percussive step-dance, the visual and musical delights of this band, as well as their humour, repartee and rapport with audiences, produce irresistible shows for most music venues.

The show takes place on Saturday May 13th at 7.30pm at the Methodist Church Hall, High Street Thornbury. Tea/coffee served during the interval. Tickets £15 from AAGThornbury@gmail.com

NB. AAG would welcome up-to date certificated first aiders who would appreciate complimentary tickets to steward at events. Contact: janeparfittrail@gmail.com

### Thornbury Choral Society

Saturday, May 13th, 7.30pm at St. Mary's Church, Thornbury (BS35 1HQ).

This concert by the Choral Society and the Thornbury Camerata will be a very special one as it is a celebration of the Coronation.

Conducted by Steven Kings, we shall be performing music which has been used for previous coronations. Handel's Coronation Anthems were composed for George II in 1727 and we shall sing three of them: Let Thy hand be strengthened, The King shall rejoice and the ever popular Zadok the Priest. Mozart's Mass in C Major was probably used at the coronation of both Leopold II in Prague in1791 and at the crowning of Francis I of Austria a year later. The concert also includes Symphony No. 6 in F Major by William Boyce.

Soloists are Charlotte Newstead (soprano) Rebecca Chellappah (mezzo – soprano) John Bacon (tenor) Robert Marson (bass)

Ticket prices are £15 (Pre-booked) £17 (on the door) £5 (under 18s). Available from *tickets@thornburychoralsociety.org.uk* or *01454 417865* or from Horders Stationers (after April 26th).

Do come and join us for what will be a most enjoyable evening.

### Coronation Celebration Tea Party

St Peter's Hospice Severnside Support Group would be delighted to welcome you to 'Afternoon High Tea' to celebrate the Coronation on Thursday 11th May, at Methodist Church Hall in Thornbury at 2.30pm. Musical entertainment from Lizzie Adkins.

Tickets are priced at £10.00 (to include a full homemade high tea) and are available from Hospice Shop in Thornbury or pay on door. Do come along and celebrate this special occasion.

Please support St Peters – your local hospice.

### Thornbury Volunteer Centre

Monday 8th May is to be a National Day of Volunteering. People are being encouraged to volunteer in their local community as part of celebrations for King Charles III's coronation. The aim is to bring communities together, encourage more people to volunteer and create a lasting volunteering legacy from the Coronation.

Thornbury Volunteer Centre has created a dedicated webpage for organisations seeking volunteers to help out around this time. If your organisation plans to get involved and would like details to be posted to this page, please email mail@volunteer-thornbury.co.uk with brief details of what the volunteers will be needed for, together with contact details.

If you, your friends or work colleagues would like to help out, please visit our Big Help Out webpage for details of where you can be of assistance. Then please contact the relevant organisation direct:

volunteer:thornbury.co.uk/bighelpout

### Alveston Repair Café

The Alveston Repair Café on Saturday 25<sup>th</sup> March was very well attended, with 39 items being worked on, 25 of which were either repaired or held to be repaired later. Judging by the level of chatter and the number of cakes consumed, it is safe to say that everyone enjoyed the morning.

The next Repair Café will be held on Saturday 20<sup>th</sup> May from 10am to 1pm in St Helen's church in Alveston.

### Thornbury Heritage Trail

Thornbury is currently undergoing many changes that will shape its future, but its rich and interesting heritage will never change. With spring approaching and the weather improving, maybe now is an ideal time to have a stroll around the town and find out or remind yourself about the history of Thornbury?

The Thornbury Heritage Trail was created by Thornbury and District Heritage Trust (which runs the museum) to celebrate the Millennium in 2000. It covers a total distance of 3.7 Km (or  $2\frac{1}{4}$  miles) and it's an enjoyable way of discovering the previous importance of the town and its history. A recently updated guidebook to the Trail can be bought from the Museum, or from Horders on the High Street, for just £2.

If you prefer a digital version, you can download the Guide (a 28-page booklet) and print an enlarged map for free from

https://www.thornburymuseum.org.uk/our-area/thornbury/town-trail/ Enjoy an afternoon stroll in the sun and discover some local history as you go!

Starting at the Town Hall, you can follow the Trail's bronze way-markers, set into the pavements, and, by consulting the Trail Guide, you can bring the history of local buildings and places to life. Here's an example from Castle Street:

#### 11 Castle Street, Porch House.

This is a significant example of a large medieval hall house with a later two-storey porch. In 2016, tree ring dating of structural timbers suggested it was built in 1401.

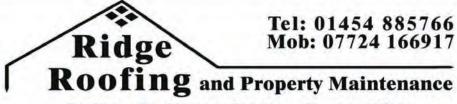

In the early 1900s, tailor Thomas Cox Smith had a type of pommel or vaulting horse in his workshop here. When he made riding habits, he would get his customers to sit on it so he could check the fit and drape of the outfits when "seated" on a horse!

Along the Trail, there are also seven illustrated information boards which tell you more about that particular location.

Once you reach St Mary's Church, you can enjoy the countryside section of the Trail - rural footpaths with Trail marker posts highlighting points of interest along the way - before you return to the town's footpaths.

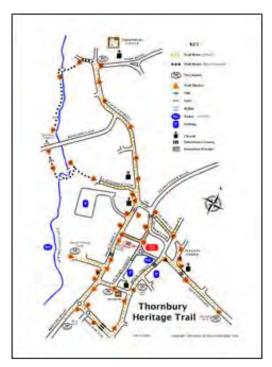

Page 18 Page 19

Roofing ❖ Chimney Repairs ❖ Lead Work
Guttering ❖ External Painting
General Maintenance ❖ FREE Estimates

Be aware that the rural section has some stiles, and it may be muddy at times, but it is well worth the effort. If you are unable to go along the rural path, it is easy to retrace your steps back to the town and then follow the remaining way-markers to complete the Trail.

Please also take the time, now or on another occasion, to visit Thornbury & District Museum in Chapel Street.

Check out our website for opening times, current exhibitions and much more. We look forward to welcoming you.

www.thornburymuseum.org.uk

### Friends of St Mary's

The prize winners in the April draw, held on 6th April 2023 were:

| Amount | Number | Name                              |

### Marlwood's Got Talent Returns

Friday 12 May at 7pm at Marlwood School.

This is a great all-round, feel-good, red-carpet family event. Tickets are priced at £5 per adult and £2.50 per child, to get tickets please contact:

sarahwalters2@mac.com.

More information about Friends of Marlwood is on our Facebook page: @Friends of Marlwood School or please email: marlwoodfriends@gmail.com.

# Marlwood Community Council - Volunteers Needed

Di Steer

Over the years the governance of Marlwood School has changed in accordance with CSET (Castle School Education Trust) policies. The Marlwood School Local Governance Committee has been replaced by Marlwood School Community Council. This new council aims to provide an increased parental and community perspective on a range of areas relevant to Marlwood School to ensure that the school is fulfilling the Trust's ambitions to provide 'A Great Education for Every Child' and that it is fulfilling its own values of love learning, respect, challenge and community. Whilst the Community Council does not form part of the accountability structure, the local perspective gained from the work we do will be invaluable in shaping the future of Marlwood School.

There are currently vacancies for members of the local community to join the Council. It is an extremely rewarding role to undertake, and we are hoping there will be some of you who would be able to support the school in this way. We meet six times a year, usually at 5pm for approximately 1.5 hours, and there are opportunities to see the school in action and to support specific areas of education that Marlwood School offers.

### MYNEAT TECHNICAL SUPPORT FOR YOU - AT HOME

I'm Jed, the Tech Guy - I have a world of technical knowledge and the patience of a saint! No matter how big or small your issue, I can solve it either in person, over the phone or on line.

LAPTOPS, COMPUTERS, PRINTERS, MOBILE PHONES, TV's, XBOX, JUST ABOUT ANYTHING REALLY

And best of all – I can come to you! Silver Surfers and technophobes - I'm your man.

I know your requirements are unique and because I work independently for you,
I can deliver the most affordable solutions to your doorstep.

I also support local customers with <u>personal shopping</u>. If you need a trip to Curry's PC World, John Lewis, Apple or the store of your choice I can advise you on the best deal to match your tech requirements.

So what are you waiting for, call me and your tech issues will be resolved in no-time!

Email: help@myneat.co.uk Tel: 01454 406000 Web: myneat.co.uk

If you would like more information about what the role entails and would like to register your interest in the opportunity of becoming a member of the Community Council at Marlwood School, please contact the Chair, Di Steer, at: di.steer@cset.co.uk.

### A Murder Mystery

Murder at the Manor by Paul Harrod, Friday 19th and Saturday 20th May

You are invited to a charity murder mystery evening at Olveston Parish Hall. This will be enacted on stage with opportunities to talk to the cast, ask questions and work out who committed the dastardly deed. It starts at 7pm with drinks and nibbles, followed by a two-course meal.

£15 each, sitting in teams of 6-8 people. A cash bar will be open all evening.

All proceeds from the two evenings will be donated to the Aanandit Charity, which helps support underprivileged children and young people in Nepal.

If you would like to come along and challenge your 'little grey cells', please contact Paul Harrod on *paul.harrod@gmail.com* or Lesley Clarke on *07803* 589770.

### Olveston and Tockington WI

The Women's Institute is democratic and member-led and has a resolutions process which puts members at the heart of decisions about our campaigning activity. Every issue that we campaign on stems directly from a resolution put forward by members and adopted at the Annual Meeting. WI members have a unique opportunity to turn a concern into a national campaign every year, backed by the whole of the WI. We will be discussing the resolutions currently proposed at our May meeting. We will also be having a talk from Audrey Shepherd about the history of the WI.

Regular extra activities each month include a walk and a 'stitch, knit and natter' session. We also have a skittles match planned.

If you are interested in joining us, please contact Angela Green on *01454 615222*. We meet on the second Tuesday of the month at 7.30pm at Olveston Parish Hall.

### Olveston GP Road Race

This cycle race, taking place on Sunday 28<sup>th</sup> May, passes eleven times through the villages of Olveston, Tockington, Old Down, Alveston and Elberton. These details about the event, with timings and suggested viewing points, will help those of you who would like to watch the race and how to avoid it if that is your preference.

The timetable on the day will be as follows:

9:30 – Race organisation team arrive at the HQ which is Marlwood School, Alveston.

10:00 – Race warning signs are distributed around the circuit. Although no roads are closed, junctions are shut down by accredited marshals each lap for a few minutes when the race passes that point.

10.00 – The Finish area by The Crescent in Old Down will be set up. This will not affect traffic in any way.

11:30 – Race participants begin to arrive at Marlwood School for race sign-on. There are 80 elite cyclists taking part in the event.

13:00 – Accredited Marshals will move to their positions on each major junction on the circuit. These marshals have police authority to stop traffic with the STOP sign they hold.

13:00 – Race stewards and red flag marshals move into positions around the circuit, in particular to assist at marshal points in Olveston and Tockington.

13:30 – The race convoy and riders will move out from Marlwood School and the race begins. The race convoy will include several lead vehicles and officials' vehicles which are identified by signage and yellow flashing lights on the vehicles. They are supported by motorcycle outrider that warn traffic of the approaching race. Competitors are required to obey the rules of the road and there are race commissaires in following vehicles that can remove riders that do not adhere to this.

13:40 – The riders will be approaching their first ascent of Old Down Hill, which they will go up 11 times in total. This is the best position from which to watch the race. Please do not park on Old Down Hill. There is limited parking available at Queen Alexander Memorial Pavilion (QAMP) which is on the right at the top of the hill.

13:45 – The riders will pass through the finish point for the first time by The Crescent. This is also a good point to watch the race. The race finishes after 10 further laps.

15:00 – This is about the mid-point of the race and there is likely to be a breakaway group a few minutes ahead of the main bunch of riders.

16:20 – Approximate race finish time by The Crescent, Old Down.

There **are** likely to be several groups of riders that finish over a period of up to 5-6 minutes.

Page 26 Page 27

been supporting "Tools for Self Reliance" for many years. It is a UK based charity working to help relieve poverty in Africa by renovating and sending redundant tools to them. They then work with local African organisations to deliver a programme of tools and training that brings about effective and sustainable change for carpenters, builders, blacksmiths, artisans and their communities. Primary countries they work in are Ghana,

that suits everyone.

lisa costa estate agents have the experience and knowledge to take you smoothly through the moving process.

keeping your garden

53 High Street | Thornbury | BS35 2AR 01454 279734 | sales@lisacosta.co.uk | lisacosta.co.uk

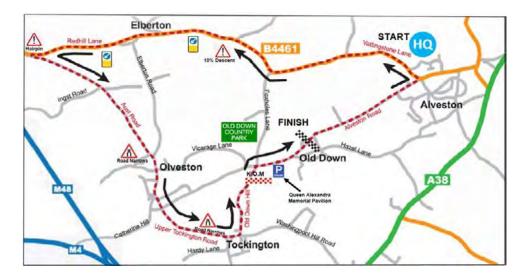

Please note; If your property is currently on the market, the terms and conditions of your Existing agency agreement must be considered before instructing ourselves.

16:40 – Finish area is cleared of riders and return to Marlwood School.

17:30 - Presentation to riders at Marlwood School.

We ask horse riders and pet owners to please be advised of the race, and to take care. We apologise for any inconvenience caused.

The race organisers would also like to extend an invitation to local residents to help out on the day as stewards. If you are interested, please contact Brian O'Kelly: brian.okelly@bristolroadclub.com

### Aerial Archive

Nick Fear

There is an amazing aerial photographic archive on the Historic England web site. The local RAF photographs from the 1940s and 50s are just wonderful. If you are interested, it is really worth a look. Site navigation is not that easy, so I hope this helps:

Go to Historic England website: https://historicengland.org.uk

On the top line click on 'images & books' and go to 'browse our collections'.

At present, top of the page is an aerial photograph of showing Tewksbury and beside it the words 'Aerial Photo Explorer', click on these.

Scroll down slightly and you will see a map of the country covered in what looks like 'beehive' circles, polygons, in different colours. Use the mouse

Page 28 Page 29

63 High Street Thornbury www.village-care.co.uk

curser to zoom in on our area. When you get to, say, the Severn bridges you will see a map below the polygons and you can zoom in on where you wish to look.

You will see lots of yellow lines which are in fact area boxes. The mauve triangles are the RAF historical photo markers, the red circles are more modern images.

Zoom in again to a square and click on this. If the square has a triangle or circle click on this. A small photo square will appear, click on this. A larger image will appear and you can click it once more to enlarge it.

Sometime there are multiple images for one area, and these will be indicated above the photo box.

### Susty Fest

Thornbury's Festival of Sustainability 10am to 2pm on Saturday 20 May St Mary's Centre, Thornbury, BS35 2AD

Come along to find out about: electric cars, home energy efficiency (reduce your bills), growing your own food, nature on your doorstep, recycling, composting, and how to log your wildlife sightings and make your own wildflower seed bombs!

Organised by CATS (Climate Action Thornbury and Surroundings) with support from South Gloucestershire Council. For more information email: cats@sustainablethornbury.org

### Friends

It's great to be able to talk to people who may have had the same life experiences as yourselves. People who lived through the privations of the forties, or the fifties - when Britain was recovering from the war years. Perhaps you even lived through the thirties! If you find it difficult to get out now and would like to rekindle old friendships or make some new friends, why not come to Tea and Chat? You'll meet people just like you!

The next Tea and Chat will be in Oasis Church in Old Down on Friday May 5th at 2.30. Tea and cake are free and so is transport if you need it. The only thing we ask for is a small donation of a pound towards the heating.

If you are interested call Lynn on 01454 612201 or Lesley on 01454 613804

### Olveston Parish Council

Pat Savage

#### **Speedwatch**

The speed at which some vehicles travel through the villages continues to cause concern. Whilst the VAS monitors do act as a deterrent to oncoming speeding motorists, the Parish cannot afford to have them installed at all approaches. Whilst Speedwatch has been tried at various times in both Olveston and Tockington, there has been a shortage of volunteers. We hope to recommence soon, when the police will conduct the training. If you are at all interested, please contact: miles.grocott@olvestonparishcouncil.gov.uk

#### **Local Council Elections**

These will take place on Thursday 4th May. Whilst all those eligible to vote will receive a Polling Card which should ideally be taken to the Polling Station. In the past it was acceptable just to confirm one's postal address, however now a form of personal identity will be required in the form of a driving licence, passport, or an older person's bus pass. If you do not have any of these, you can apply for a Voter Authority Certificate. Please telephone 08003280280 to obtain an application form.

#### Councillors

Lyndsey Gethin and Martyn Suker will be stepping down as Councillors at the above elections. Both Lyndsey and Martyn have worked tirelessly on the Council's behalf. They were both particularly involved in the very successful Jubilee celebrations. We wish them both well for the future. It does mean the Council is now two persons short. Whilst the nominations have already been submitted it is still possible to be co-opted. If you are at all interested, please contact the Clerk on: olvestoparishcouncil.gov.uk

#### **Tockington Quarry**

Work has now commenced at the quarry to install a pathway for easy access. This will involve removing both dead and dying trees. A specialist wildlife camera will be installed to track mammals and indeed all inhabitants of the quarry. Please check on our website to see how the photos can be viewed. We do hope all of you will have an opportunity to enjoy a walk in the quarry.

# Wild Isles, or Wildlife-less Isles?

"Extraordinary. Dramatic. Beautiful. Sir David Attenborough celebrates the wonders of British wildlife. It's our home, as you've never seen it before".

At our recent committee meeting, we spoke about how skilfully the BBC's latest nature documentary series, *Wild Isles*, brings home the magnificence of British wildlife. However, we also reflected the show did not also accurately

convey the true state of our natural environment. England is one of the most nature-depleted countries in the world and nature is in real peril. The Chief Executive of the Environment Agency recently warned of a 'silent spring' for wildlife in the UK, unless businesses, governments and individuals act.

At times the challenge ahead can feel overwhelming. However, a journey of a thousand miles begins with a single step. Could you take an action? One a week, one a month or one a year? Breaking it down into lots of small actions makes it much easier. Whatever is achievable for you will help wildlife in our gardens and on these Wild Isles.

#### Here's some ideas:

- ✓ Plant a tree
- Create a hedgehog highway/hole (and log it on the Big Hedgehog Map: https://bighedgehogmap.org/holes-for-hedgehogs-home/maphedgehog-sighting)
- ✓ Do No Mow May this month
- Create a pond
- ✓ Leave some weeds to grow, especially dandelions!
- ✓ Provide water for wildlife
- ✓ Take children or grandchildren on a walk and show them the wildlife,
- Feed the birds (and keep the feeders clean)
- ✓ Choose pollinator-friendly flowers and plants at the garden centre
- ✓ Avoid using pesticides
- ✓ Sow some wildflower seeds
- Join a local action group
- Keep a log book or photograph the wildlife you see and research it
- ✓ Make a log pile
- If possible keep cats inside from dusk to dawn, especially in spring and mid-winter
- ✓ Pick up litter
- ✓ Support a wildlife charity
- ✓ Write to your MP
- ✓ Buy peat-free compost
- ✓ Take part in citizen science projects like the Big Garden Birdwatch and the Big Butterfly Count
- ✓ Don't squish spiders
- ✓ Leave a messy corner in your garden
- ✓ Build a bee hotel
- ✓ Create a mini-meadow
- ✓ Grow herbs

Making Space for Wildlife is part of the Olveston Parish Council Biodiversity backed and funded initiative.

### Green Force

Did you know that..... the world is facing an imminent water crisis?

Demand is forecast to be greater than supply by 40% by 2030. Changes in efficiency of water use could make a big contribution to water problems, including those caused by climate change. Water is the mainstay of all life both plant and animal, so without water life will perish and without water there will be no food. Governments must agree globally to invest heavily and effectively in water management. There was a big international conference held by United Nations in New York recently, which made this statement.

In our country water must be redirected from high rainfall areas to top up reservoirs where needed. Could water from Scotland be piped to England? River courses could be changed in upper regions to meander and fill flood plains. There are hundreds of warehouses in office parks and distribution sites with huge roof areas where rainwater could be salvaged and recycled. Desalination of seawater could be a possibility - at a cost. It is estimated that in the UK an individual uses up to 141 litres daily. Compulsory water meters would be a way of alerting us to usage just as smart electricity ones do for energy consumption in our homes.

**Have you thought of.....**conserving water?

This is something we can all do. We can have fewer and shorter showers and we can turn the tap off while brushing our teeth. A water butt can be installed to save rainwater for our gardens. Every little amount saved reduces not only consumption but the water bill too.

It has been widely publicised recently that our natural water supplies, such as lakes, rivers and reservoirs, are being contaminated by sewage. contaminated river water eventually flows into the sea and changes the natural balance there. Investment and better practice are essential to correct this situation, which is becoming urgent.

### Yours Faithfully

Rev. David Moss Vicar of North Severnside

On the 6th May 2023 we will be glued to our screens watching the Coronation of King Charles. The essential elements of the coronation service used in modern times can be traced back to the crowning of King Edgar at Bath in A.D. 973 the first king of all England. At his coronation, there was a procession, an oath or promise, anointing and investiture followed by the Mass. At King Charles III coronation there will be the investiture, the singing of Zadok the Priest, the consecration of the new king with oil and the giving of communion. The communion bread and wine are a central part of the service They bear witness to the fact that as Christ gave his life up as a sacrifice for the sins of humanity, so too will the new king be called to lay his life down for his people.

The services on the Coronation Day have now been published, but the words of the sermon of course, still remain a mystery. So I thought, for interests sake, I would do some digging and look back at the words given to Charles I and II at their Coronations. One sermon caught my attention, which was a plea at the coronation of King Charles I, that his time as king should be filled with piety, peace, and plenty.

Piety. A plea to work to keep places of worship open and full.

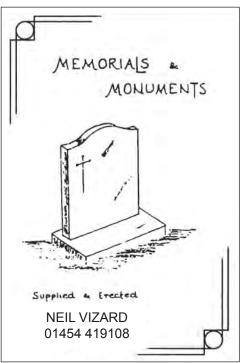

Peace. A plea for the new king to be a diplomat who works for the resolution of conflict.

Plenty (for all). A plea for the king to make sure the poor are well cared for and well homed.

We are a few hundred years on from 27th March 1644, but I still think that as Charles III is consecrated that we should pray that his reign is blessed with these three things. God Save the King!

Almighty God, the fountain of all goodness, bless our Sovereign Lord, King Charles, and all who are in authority under him that they may order all things in wisdom and equity, righteousness and peace, to the honour of your name, and the good of your Church and people, through Jesus Christ our Lord. Amen.
